Statement of Compliance

Food Products

Regulation (EC) No. 178/2002, lay down the general principles and requirements of food law, establishing the European Food Safety Authority and laying down procedures in matters of food safety and Regulation (EU) No 1169/2011 on the provision of food information to consumers.

By midocean imported materials and articles, including active and intelligent materials and articles, are manufactured in compliance with good manufacturing practice so that, under normal or foreseeable conditions of use, they do not transfer their constituents to food in quantities which could: (a) endanger human health or (b) bring about an unacceptable change in the composition of the food or (c) bring about a deterioration in the organoleptic characteristics thereof.

The undersigned declares that the goods listed below or marked accordingly in the invoice and/or delivery are in conformity with council Regulation (EC) 178/2002, (EU) No 1169/2011 and directive 2001/95/EC.

Statement of Compliance

Directive 2001/95/EC of the European Parliament and of the Council of 3 December 2001 on general product safety

According to council directive 2001/95/EC, by midocean imported products are placed on the market only, if they do not jeopardize the safety and/or health of users or third parties.

"Safety" shall mean any product which, under normal or reasonably foreseeable conditions of use including duration and, where applicable, putting into service, installation and maintenance requirements, does not present any risk or only the minimum risks compatible with the product's use, considered to be acceptable and consistent with a high level of protection for the safety and health of persons.

The undersigned declares that the goods listed below or marked accordingly in the invoice and/or delivery are also in conformity with council directive (EU) 2016/2031 (Phytosanitary) and (EC)1907/2006 (REACH).
