

HSM SECURIO AF300

Document shredder with auto-feed

Document shredder HSM SECURIO with auto-feed

- Reliable and time-saving document shredding
- High-capacity paper feed with nanogrip technology
- Convenient and safe shredding of paper, documents, plastic film, etc. and reliable feed
- Useful dual function: Auto-feed for paper stacks and at the same time manual single sheet feed of small amounts of paper, CDs/DVDs or credit cards
- Lock-and-Go function protects the inserted paper stack against unauthorized access
- Quiet Operation due to optimal combination of motor and cutting unit
- Reliable operation even under continuous load
- Automatic reverse eliminates paper jams
- EcoSmart: Low power consumption of 0.1 Watt in stand-by-mode, document shredder permanently ready for use
- Made in Germany

Product number	Cutting version	Cutting size in mm	Quantity of sheets auto-feed unit DIN A4 (80 g/m ²)	Cutting capacity manual feed in sheets (80 g/m ²)	Security level DIN 66399	Shredder material	Weight in kg
2093111	particle	4.5 x 30	300	12 - 14	P-4 / O-3 / T-4 / E-3 / F-1		20.6
2092111	particle	1.9 x 15	300	8 - 10	P-5 / T-5 / E-4 / F-2		20.4
2095111	particle	0.78 x 11	300	6	P-6 / F-3		20.5

Dimensions (WxDxH): 395 x 435 x 837 mm, colour: white

2014-09 - Technical and design modifications reserved. Lifetime warranty on solid steel cutting rollers in HSM SECURIO document shredders at security levels P-2 to P-5.

HSM **nanogrip** technology – the specially developed material composition and surface structure of the feed and forwarding rollers ensure that the most diverse and even soiled materials are reliably fed and destroyed, even in frequent use.
