

**PRODUCT:**

L.C. BROWN KRAFT FOOD

**MANUFACTURER:**

LC Paper 1881 S.A.

**REFERENCE NUMBER:**

20\_SCA 015 CP-23

**DATE OF ANALYSIS:**

MAY – JULY 2020

Laboratorio de Contacto Alimentario. Escola Politècnica Superior C/ M. Aurèlia Capmany, 61,  
Campus Montilivi, 17003 Girona.

The product manufactured by the company mentioned in this document was analyzed in our laboratories to verify that it complies with the following:

- 1. Recommendation XXXVI from German BfR v. 01.09.2017 for paper and board in contact with foodstuffs at temperatures up to 90°C.**

The results obtained are below the limits established by the recommendations and regulations mentioned, so the product in question can be used to be in contact with food. The food contact compliance is limited to direct contact with dry, wet and fatty food. This document is only valid for the sample mentioned according to its current manufacture.

Report issued in Girona, on August 28<sup>th</sup> 2020.
