Pantone reference:  
X

— No text outside this line  
— 800x300x3mm  
— Bleed 10mm

We take no responsibility in errors not corrected by customer in the artwork.

Refer to PANTONE numbers for colour reference.  
Pantone swatch C or CVC (e.g 295C).  
PANTONE max 90% accuracy.

Observe that colour appears different on screen and in print. The colours might also be affected by external influences, such as: sun, heat etc.

There will be a few mm difference on art work around the edges due to moveable material as it is textile.
