Roll-Up

Roll-up represents a universal way of promoting any brand in the office or during fairs, conferences, promotional events or exhibitions. The most important advantages that are characteristic for roll-ups is ability to match any budget, ease of graphics replacement or trouble-free transport. After the end of presentation all is folded into the convenient cassette which makes it easy to store it until next use.

CAIMAN

Roll-ups in a cost effective version.

- Clip strip with plugs.
- Lower part of graphics is affixed by adhesive tape.
- Bungee type mast.
- Two rotating legs.
- Mast stabilizer.
- Transport bag with no reinforcements.
